

# What Type of Learner Are You?

*Directions:*

For this *Activity*, you will take an online quiz to discover your learning style.

1. Go to <https://www.webtools.ncsu.edu/learningstyles/> and complete the Index of Learning Styles Questionnaire.
2. After completing the questionnaire, answer the following questions on a sheet of paper.
  - What type of learner are you according to the questionnaire
  - What are some of the characteristics and strengths of your type of learner
3. Find other learners like you in the classroom and discuss the characteristics and strengths of your style.
