

Positive Language

Directions:

Rephrase the following statements. Make sure to use positive language skills, such as reframing, specific statements and relationship-building language.

1. This proposal reads awful, especially the financial statement part.

2. You are rude and thoughtless!

3. You did not show up to work three times in the past month!

4. You are completely unreliable!

5. I cannot believe you made such a stupid mistake!

6. How could you miss the deadline again? This is the fourth time!
