

# Children's Speech

## *Directions:*

1. Choose a speech topic appropriate for children ages 5 to 8.
2. Determine the following characteristics of the presentation:
  - a. Appropriate length
  - b. Language and terminology
  - c. Visual aids
  - d. Audience participation activities
  - e. Resources
  - f. Delivery method
3. Write the presentation using the following format:
  - a. Introduction
  - b. Connection
  - c. Preview
  - d. Body
  - e. Review
  - f. Conclusion
4. Be prepared to deliver your presentation to your classmates.
5. After completing the presentation, choose a partner to review the presentation for ways to improve.
6. Finally, review your presentation after suggested improvements and note how the presentation could be modified for two other age groups.
