

Legal Dilemmas

Directions:

1. Using all available resources, select and research a company which has one of the following dilemmas:
 - Environmental issues
 - Civil rights issues
 - Honesty
 - Illegal contracting
 - Financial fraud
 - Unsafe work conditions
2. Using the information, write down how you would respond to the dilemma using legal and ethical considerations. Then compare how you would respond to how the company responded.
3. Write a one page paper detailing your findings and comparing your response to the company's.
4. Attach a citation sheet listing all sources used.
