

Presentation Development

Directions:

1. Design your ideal presentation by choosing your own topic, audience size, etc.
2. Prepare to give your presentation by creating note cards containing the information discussed in *Presentation Strategies & Tactics*.
3. The note cards should include the following information:
 - A. Purpose
 - B. Type
 - C. Topic
 - D. Number of people
 - E. Age of audience
 - F. Education level
 - G. Experience with topic
 - H. Length
 - I. Delivery method
 - J. Resource ideas
