

# Interior Design Portfolio

## *Directions:*

1. Using all available resources, research design media and tools used for interior design projects. Your research must include design media and tools used in designing, drawing, painting, sculpting and printmaking.
2. After completing your research, practice and demonstrate each method and create a portfolio of the designs. Each page of the portfolio must include a different design.
3. Attach a citations sheet listing all sources used.
4. Present your portfolio to the class.
