

Ethical Guidelines for Mediators

Directions:

1. In a group, conduct research on regulations and ethical codes for mediators.
2. Create a 1,000-word handbook of Ethical Guidelines for Mediators based on the findings.
3. Make sure to consider what a mediator should do to ensure the following issues:
 - A. Inform parties of the mediation process
 - B. Protect voluntary participation
 - C. Maintain confidentiality
 - D. Conduct the process impartially
 - E. Any other important issues
4. Appropriately cite all sources according to your teacher's instruction.
