

# Mock Meetings

## *Directions:*

As a class, complete the following problem.

### **THE PROBLEM**

Some of your classmates want to sponsor a "Teacher Appreciation Day" for the teachers and administrators at your school. Shall your chapter undertake this project?

### **THE MINIMUM MOTIONS THAT MUST BE DEMONSTRATED**

- Main Motion
- Amend a Main Motion by inserting
- Call for the Previous Question on an Amendment
- Division of the Assembly
- Reconsider the vote on a Main Motion
- Adjourn

**IMPORTANT:** Before making certain motions and debating, you must obtain the floor (normally by rising, addressing the chair, and then being recognized) the video. In addition, your motion(s) must be concise and contain all the information needed to carry through the action proposed to solve the PROBLEM stated above (try to include information on what, when, where, how, and who).

# Mock Meetings

## *Directions:*

As a class, complete the following problem.

### **THE PERFORMANCE PROBLEM**

Your company would like to hold a Chapter picnic next August. Your company's CEO has agreed to host it at his/her house. Decide who will be invited and other details so this can be accomplished.

### **THE MINIMUM MOTIONS THAT MUST BE DEMONSTRATED**

- Main Motion
- Commit (or Refer) a motion related to the activities and food for the picnic
- Primary Amendment (by adding)
- Division of the Assembly (demonstrate a rising, counted vote)
- Reconsider
- Adjourn

**IMPORTANT:** Before making certain motions and debating, you must obtain the floor (normally by rising, addressing the chair, and then being recognized) the video. In addition, your motion(s) must be concise and contain all the information needed to carry through the action proposed to solve the PROBLEM stated above (try to include information on what, when, where, how, and who).

# Mock Meetings

## *Directions:*

As a class, complete the following problem.

### **THE PERFORMANCE PROBLEM**

What program can your class set-up to help the members of the community become aware of issues facing today's students?

### **THE MINIMUM MOTIONS THAT MUST BE DEMONSTRATED**

- Main Motion
- Amend (by striking out and inserting)
- Commit or Refer
- Point of Order
- Reconsider

**IMPORTANT:** Before making certain motions and debating, you must obtain the floor (normally by rising, addressing the chair, and then being recognized) the video. In addition, your motion(s) must be concise and contain all the information needed to carry through the action proposed to solve the PROBLEM stated above (try to include information on what, when, where, how, and who).
