TESTING PLATFORM

The National Horse Judging Team Coaches' Association utilizes iCEV as the testing platform for this certification.

iCEV fulfills the following responsibilities:

1. Provides secure testing technology for certification exams
2. Regulates testing environments
3. Works with secondary and post-secondary academic institutions, workforce development associations and the public at large to offer certification options for career advancement
4. Provides certification verification to employers for potential job applicants

ABOUT THE NATIONAL HORSE JUDGING TEAM COACHES' ASSOCIATION

The National Horse Judging Team Coaches' Association is dedicated to promoting, encouraging and aiding the training of coaches and evaluation teams to strengthen employment skills of the students participating in horse judging contests nationally. By providing and enhancing communication and networking among coaches, NHJTCA encourages consistency among the equine evaluation industry.
