(1) The student demonstrates professional standards/employability skills as required by business and industry. The student is expected to:	(G) demonstrate respect for diversity in the workplace;	(i) demonstrate respect for diversity in the workplace	Activity	New Content	Professionalism in the Sciences: Advanced Engineering Design	Activity - Diversity Discussion Bell Ringer

Diversity Discussion Bell Ringer

Activity Overview:

You will consider the importance of diversity in the workplace and participate in a discussion about how an individual can demonstrate respect for diversity in the workplace.

Directions:

1. Consider why diversity in the workplace is important and write three to four sentences summarizing your thoughts.
2. Under your summary, list five ways in which an individual can demonstrate respect for diversity in the workplace.
3. Be prepared to share your thoughts in a class discussion.
